### II. TESTIMONY & DISCUSSION

**Chairman Michael San Nicolas:** Next on the agenda, we have Bill 13-32. We'll go ahead and begin testimony on that and I will yield to the author, Vice Speaker B.J. Cruz.

**Vice Speaker Benjamin J. Cruz:** Thank you very much, Mister Chairman and I would also like to thank you for your expeditious hearing of this bill. Bill 13-32 is referred to, nationwide, as the social host legislation. As of 2003, there were 31 states that already passed that legislation; I imagine that there would have been more. This idea was not one that I thought up myself. I have to give due credit to the people that suggested the legislation to me. In this hall, about three years ago, the Legislature hosted a group of high school students for Close Up and the young people were given an opportunity to discuss legislation that they thought the Guam Legislature should introduce. To my surprise, the number one bill that they recommended was adults who provide alcohol to minors should be held responsible, both

criminally and civilly, for any injuries that ensue as a result of the adult providing the alcohol. It was very timely that they brought this up because the previous year, on August 23, 2011, six kids left a party in Talofoto. They were driving down Route 4 and their car slid off the road and slammed into a telephone pole. One young boy was killed in the car. One young woman was maimed so badly that, about five months later when I was in the Philippines for a medical checkup, her mother was still there with her in the hospital. The young boy that was driving the car was incarcerated and is now facing 15-30 years in prison. The adult that provided the alcohol to these minors is merrily going along his life but we've ruined six families – one with a death; one with a child that's going to be in jail until they're older than you and almost as old as I. It really is irresponsible and I think that it's imperative that adults understand that there is a responsibility on their part to make sure that alcohol is not provided to minors. Bill 13-32 makes it very clear. We provide a new definition for 'furnish' which, very clearly says, 'furnish' means "to knowingly or intentionally supply, give or provide to or allow a person under 21 years of age." Then, we add a new Section 3436, "any person who sells, furnishes or provides alcoholic beverages to a person under the age of 21; owns, occupies or controls premises on which alcoholic are consumed by any person under the age of 21, and who knows of alcohol consumption by persons under 21 on such premises, and who reasonably could have prohibited or prevented such alcohol consumption shall be punished by a fine of not more than \$2,000 or by imprisonment for not more than one year or both." That adult shall also be liable for all injuries or damages caused by the intoxicated person under the age of 21. We did provide that the intoxicated person under the age of 21, who causes the injury, shall not have a right of action under this part. I think it really is high time, Mister Chairman, that we as a community join the rest of the nation in passing a social host legislation. The young people that brought this to our attention were very sincere in their desire, if not their demand, that we as a community address this situation and hold adults, who cavalierly provide alcohol to minors, be held liable both civilly and criminally for all the injuries that ensue. As an example, that young man is still in jail and will be facing at least a 15 year jail sentence. A family has lost a child, one family has a maimed daughter and four other children will live with the memory of being in the car and witnessing their friend killed and/or maimed. So, I really hope that we will get this bill passed forthwith.

**Chairman San Nicolas:** Thank you, Vice Speaker Cruz. Are there any members of the community who wish to testify with regards to Bill 13-32? Are there any Senators who wish to comment on Bill 13-32? If no additional commentary, I will go ahead and conclude the hearing on Bill 13-32.
